

Your dog is welcome in our Hotel. Here are some tips for their stay with us:

Are all dogs welcome?

- In order to ensure a relaxing holiday to all the guests, only well-behaved dogs are welcome
- Although we are a pet-friendly hotel, there is a maximum number of dogs and for this reason it is necessary to inform us if you travel with a dog (at the time of booking).
- Owners must be adequately equipped.

Is there a fee for dogs?

- Yes it is, the rate depending on the booked room.

May dogs access the common areas?

- Dogs can access all common areas except the SPA.
- When possible, a quiet table will be reserved at the restaurant, away from annoying noises for the dog
- During meals, the dog must stay next to the table (no buffet) and the owners must ensure that the dog does not stop along the walkways inside the restaurant.
- The dog can not stay on armchairs, chairs, tables, etc.

Should a leash always be used?

- Of course, dogs must stay on the ground, not in their arms and always on a leash both inside the hotel and in the outdoor areas of the hotel (parking, paths, gardens, playground).

Dog and room?

- Dogs, if taken on holiday, must be part of it and for this reason they can not stay alone in the room (day and night).
- The use of bed and bath linen for the dog is not allowed (grooming, beds or other).
- The dog can not stay on beds, armchairs, chairs, tables, etc.

What do i do in case of any damage?

- All operations necessary to restore environmental hygiene in the rooms occupied by the animal are on customers responsibility. If traces (hair, excrement, etc.) are found on beds, linen will be charged to the Customer (rate calculated based on the purchase price of the damaged item).
- Any damage found on the furniture / equipment / services is the responsibility of the guests (rate is calculated based on the repair or purchase price of the damaged item).
- The management declines any responsibility for damages caused to / by third parties.
